Mr Joe Gootter
284- 17th Ave.
Patterson N.J.

Dear Mr Gootter:

I have just received word from The Board of Education, that we cannot have the park for the dates we wanted. As a result we will not be playing in Patterson any more this year.

This has been such an uncertain year, especially for our baseball, that most of the members were a little hesitant about gambling on a new spot. Patterson isn't really new, but our baseball has not taken on there as we wish it had. I am sure it is largely due to the fact our teams have not looked there best when appearing there.

I have written Mr Fields of WPAT. If the baseball survives next year, I do hope we will be able to sell it to the fans in Patterson.

Thank you for your very kind cooperation. I will keep in touch with you. If you are ever in this city please stop by and talk to me.

Very Truly Yours
